## Baldwin Park to Host Black History Celebration

**BALDWIN PARK, CA** - The City of Baldwin Park is proud to commemorate Black History Month with its second annual Black History Celebration on Saturday, Feb. 17. The event, which will celebrate the history and culture of Black Americans, is open to the public and begins at 11 a.m at the Arts & Recreation Center.

“The City of Baldwin Park is incredibly proud of its diverse community, and we lean on it as a source of great strength. This event is an opportunity for members of our community to connect with one another and celebrate the contributions and achievements of Black Americans in the history of our city and our nation,” said Baldwin Park Mayor Emmanuel J. Estrada.

Rain or shine, the celebration will start at 11 a.m. During the entire month of February, [the Arts & Recreation Center](#) (14403 - B East Pacific Avenue) will feature a special art exhibit displaying the works of Black artists and pieces that reflect Black history and culture. The City encourages residents to come and experience the exhibit with family and friends.

The Black History Celebration is fun for the whole family! Come enjoy food, work from local artisans and merchants while dancing along to a live DJ. The event is free and Baldwin Park residents of all ages are encouraged to come and celebrate.

“I look forward to celebrating Black History Month with the entire Baldwin Park community,” continued Mayor Estrada. “Black history is our history. We appreciate this opportunity to learn about our history and celebrate the diverse cultures that make us who we are.”
