## Baldwin Park Welcomes Congresswoman Grace F. Napolitano to Celebrate Congressional Funding for Teri G. Muse Family Service Center

**BALDWIN PARK, CA** - Congresswoman Grace F. Napolitano will present the City with a \$750,000 check to City of Baldwin Park Mayor Emmanuel J. Estrada and the Baldwin Park City Council for the expansion of the Teri G. Muse Family Service Center, a hub for nonprofit organizations providing affordable human services and resources to Baldwin Park and San Gabriel Valley residents needing assistance. The check presentation ceremony will take place at noon on April 4 at the [Teri G. Muse Family Service Center](#).

“We’re so delighted to host Congresswoman Grace F. Napolitano to celebrate the appropriation of \$750,000 to support the expansion of the Teri G. Muse Family Service Center,” said Mayor Emmanuel J. Estrada. “The City thanks the Congresswoman and our City staff for securing this funding, which will help our community partners serve more families in need of affordable human services and resources.”

Congresswoman Grace F. Napolitano secured the funding in the Fiscal Year 2023 Omnibus Funding Bill with the support of City of Baldwin Park leaders and representatives, including U.S. Senators Diane Feinstein and Alex Padilla, State Senator Susan Rubio and Assemblywoman Blanca Rubio. The City has already identified matching funds to complete the planning and design phase of the project.

Already a thriving hub for diversity, the Family Service Center will expand to 12,000 square feet, providing additional community meeting rooms, an exhibit hall, private office spaces, a family room and a commercial kitchen. The expansion will enable City staff and nonprofit organizations to better address the myriad and complex issues facing the region and Baldwin Park, the hub of the San Gabriel Valley. Located in downtown Baldwin Park, the Center has offered social, economic, legal, health and human services to vulnerable youth, seniors and families since 1996.
