The City of Baldwin Park Announces COVID-19 Self-Service Food Delivery

Baldwin Park, CALIF. (Wednesday, April 29, 2020) – The City of Baldwin Park, in partnership with Supervisor Hilda Solis, the Los Angeles Regional Food Bank, Los Angeles County Federation of Labor, Labor Community Services, and UFCW Local 1428, invite residents to the COVID-19 Self-Service Food Delivery. This service ensures that Baldwin Park’s residents can meet their nutritional needs during this public health crisis.

This is one of the many programs the City has put into place to help our community. “Our community is prevailing through the pandemic because residents, businesses and community organizations worked collectively to create a safety-net for those who are the most vulnerable. Together, we are stronger Baldwin Park!” said Mayor Manny Lozano. “As such, we continue to provide different ways to support the needs of Baldwin Park’s families. I am grateful to Mayor Pro-Tem Paul Hernandez for spearheading and coordinating this great effort. I also thank the rest of the City Council for their leadership in developing critical services for our residents.”

How does self-service food delivery work?

Baldwin Park’s COVID-19 Self-Service Food Delivery provides food for residents to pick up via drive-thru at Morgan Park (4100 Baldwin Park Blvd. Baldwin Park, CA 91706).

Local volunteers assembled food packages available for drive-thru pick-up. Drive-up distribution hours will be Friday, May 1, from 9:00 AM to 12:00 PM, for the first 3,000 families or until supplies last. Please enter Baldwin Park Blvd. through Arrow Highway, the line will start forming at 8:00 AM. You must wear a mask and stay inside your car at all times.

For more information, please call the City of Baldwin Park at (626) 214-1670.
