RESPONSE TO COVID-19 CASES IN THE BALDWIN PARK POLICE DEPARTMENT

Since the beginning of the COVID-19 global pandemic, the Baldwin Park Police Department provided our community with the highest level of police services while implementing safety procedures and best practices related to the virus to help safeguard the health and safety of our police force and the community we serve.

The report regarding the number of COVID-19 cases is extremely inaccurate and has no basis in fact. There is no COVID-19 outbreak at the Baldwin Park Police Department.

Public safety is the Baldwin Park Police Department's number one priority. The Department has taken all precaution and safety measures in place at the station. Department personnel will continue to respond to calls for service and meet all of Baldwin Park's public safety needs.
