THE CITY OF BALDWIN PARK WELCOMES DUNKIN' AS ITS NEWEST MEMBER OF THE BUSINESS COMMUNITY

FIRST ONE HUNDRED GUESTS AT ITS GRAND OPENING RECEIVE FREE COFFEE FOR ONE YEAR!

BALDWIN PARK, CA – November 9 – On Thursday November 15, 2018, the City of Baldwin Park welcomes its newest member to its business community, Dunkin', America's all-day, everyday stop for coffee and baked goods. To commemorate their opening, the city will host a ribbon cutting ceremony at the new location of 13905 Francisquito Ave., Baldwin Park, CA 91706 from 9:00 a.m. to 10:00 a.m. The event will include a plaque presentation from Mayor Manuel Lozano and City Council members.

Dunkin' will also hold its official Grand Opening Celebration on Friday, November 16, 2018 from 5 a.m. to 9 a.m. where the first 100 guests in line will receive free coffee for a year (one free medium coffee per week)! All guests that morning will receive a free medium hot or iced coffee per guest and will have the opportunity to meet Cuppy, the Dunkin' mascot.

"This is just another example of our commitment to bring forward economic development and national retail" said Mayor Manuel Lozano. The City of Baldwin Park recently brought forth major national retailers and restaurants such as: Bob's Discount Furniture, LA Fitness, The Coffee Bean & Tea Leaf and Chipotle.

"We are excited to open our newest Dunkin' in Baldwin Park, which continues to thrive as the hub of the San Gabriel Valley" said Coby Sonenshine, owner of Dunkin'.

"Dunkin' will provide over 25 new jobs in the City and we are committed to diversity and inclusion during our hiring process" said Sonenshine.

The Baldwin Park location is operated by Southern California-based small business owner Coby Sonenshine of Prell Restaurant Group. Sonenshine operates several additional Dunkin' locations in the area and plans to help the brand expand throughout the region in the coming years. Nationally, Dunkin' has expanded its stores in the past several years as masses of customers flock to the coffee and donut chain to get more than coffee and donuts. Dunkin' offers a full array of freshly brewed coffee, espresso beverages, teas, frozen beverages, sandwiches and baked goods.

As a DD Green Achievement™ restaurant, the new location features specialty lighting to reduce energy use, high-efficiency mechanical units, high-performance windows and low-flow faucets. DD Green Achievement™ is Dunkin's sustainable restaurant program for U.S. restaurants that helps franchisees build new eco-friendly and energy-efficient locations.

The new restaurant is open to walk-in guests daily from 5 a.m. to 10 p.m., and its drive-thru will serve customers from 5 a.m. to 11 p.m.
