### Baldwin Park Offers Free Summer Meals for Kids and Teens

**BALDWIN PARK, CA** – The City of Baldwin Park is providing healthy meals to local children this summer through the Healthy-Full Summer Lunch Program. From June 17 to Aug. 9, children ages 1 through 17 can receive a free, nutritious meal, Monday through Friday, at select sites in Baldwin Park.

“Keeping our kids healthy, active and nourished during the summer is a top priority.” said Baldwin Park Mayor Emmanuel J. Estrada. “The Healthy-Full Summer Lunch Program eliminates any barriers and brings free, nutritious meals directly to our community so no child goes hungry while school is out. We are dedicated to ensuring that all Baldwin Park youth have the fuel to learn, play and thrive all summer long.”

The summer lunch program aims to provide well-balanced meals to youth during the months when schools are out of session. Meals will be served as a complete unit following USDA nutritional guidelines. This year's menu is newly improved and provides kids with nutritious and tasty options.

Lunches will be available at the following locations and times:

- Teri G. Muse Family Service Center (14305 E. Morgan Street): 11:15 a.m.- 12:15 p.m.
- Walnut Creek Nature Park (701 N. Frazier Avenue): 11:30 a.m.-12:30 p.m.
- Hilda L. Solis Park (15010 Badillo Street): 12:15 p.m.-1:15 p.m.

No registration is required; simply show up during the designated meal time for a free lunch. The summer lunch initiative, sponsored by Leap Inc., underscores Baldwin Park's commitment to ensuring youth food security for all local youth regardless of race, color, national origin, sex, age or disability.
