Baldwin Park Offers Youth Summer Splash Parties to Beat the Heat

BALDWIN PARK, CA – This Parks and Recreation month, The City of Baldwin Park is hosting Summer Splash Parties for local youth to have fun and beat the heat! The City invites residents ages 1-18 to our next event on July 23 from 11:30 a.m.–2:30 p.m.! The summer party of the year, presented by the Esther Snyder Community Center, will be hosted at Morgan Park (4100 Baldwin Park Blvd.). The City held its first Summer Splash event earlier this month on July 9.

"The first Summer Splash Party was a huge success. It was exciting to see kids flock to Morgan Park for fun and free giveaways," said Baldwin Park Mayor Emmanuel J. Estrada. "These summer splash parties are not just about fun, but also about bringing families together and building community."

The City encourages the whole family to come out to these community events. There will be shaded areas for family members to supervise. Free raffle giveaways, courtesy of Raising Cane's Chicken Fingers, as well as free hot dogs and snowcones, will be available while supplies last. In between snacks, enjoy water slides, slip n' slides, splash pads, kiddie pools and even some non-water activities, such as bracelet making and other arts and crafts. Best of all, DJ Fabian will be providing live music to take the party to the next level.

"With the extreme heat washing over the community and forcing people to stay inside, we wanted to create an opportunity for connection while staying cool," Mayor Estrada added. "Baldwin Park's community splash party is a great chance for kids to make the most of their summer while staying safe in the extreme heat. I want to thank the Department of Recreation and Community Services, Raising Cane's Chicken Fingers, the Esther Snyder Community Center and everyone who worked to make these incredible events possible."

Don't miss out on this splash-tacular event! For more information, call (626) 813-5245 EXT. 311 or visit [the City website](#).

About the City of Baldwin Park

Baldwin Park is a vibrant, nearly seven-square-mile suburban community of 72,000 residents in the heart of the San Gabriel Valley. Known for its accessibility, diverse population, and growing business community, Baldwin Park continues to prioritize infrastructure improvements and community well-being.
