

CITY OF BALDWIN PARK

MEMORANDUM

TO: Public

FROM: Nick Baldwin, Acting Community Development Director/City Planner

DATE: February 24, 2025

SUBJECT: AB 1332 Compliance

The City of Baldwin Park is currently developing a program that would allow the submission and pre-approval of Accessory Dwelling Unit (ADU) plans in compliance with AB 1332. The goals of this program are to provide the City's residents with a construction option for ADUs that is less expensive and quicker than the conventional method.

The Community Development Department requests that submission of ADU plans be deferred until the program is developed. Alternatively, those who wish to submit ADU plans now may do so by sending plans to the City Planner at nbaldwin@baldwinparkca.gov.
