### **Baldwin Park Serves Up Healthy Summer Lunches for Kids and Teens**

**BALDWIN PARK, CA** – The City of Baldwin Park is excited to announce the return of the Healthy-Full Summer Lunch Program, which provides healthy meals to local children and teens. From June 16 to Aug. 8, the City will offer free nutritious meals to children aged one to 17 at select sites throughout Baldwin Park.

“When school doors close for summer, we make sure the door to nutrition stays wide open,” said Baldwin Park Mayor Alejandra Avila. “The Healthy-Full Summer Lunch Program is critical to ensuring food security in our community — ensuring no child goes hungry when families lose access to school meals.”

The summer lunch program aims to provide youth with well-balanced meals during the summer season when schools are closed. Meals are served as complete units and align with USDA nutritional guidelines. This year’s menu features a wide variety of nutritious and delicious options, ensuring that kids remain healthy and thrive throughout the season.

Lunches will be available at the following locations and times:

- Teri G. Muse Family Service Center (14305 Morgan St.): 11:15 a.m.-12:15 p.m.
- Walnut Creek Nature Park (701 Frazier St.): 11:30 a.m.-12:30 p.m.
- Teen Center and Skate Park (15010 Badillo St.): 12:15-1:15 p.m.

No registration is required to enjoy these free meals. Baldwin Park is committed to supporting diversity and food security for every child in the community. Meals are provided regardless of age, race, national origin, color, sex or disability.
