## **IMPORTANT DEFINITIONS**

**MATURE TREE.** Any tree located in the front yard, front yard setback area, rear yard, rear yard setback area, side yard or side yard setback area and (1) is greater than 18 inches in diameter when measured 54 inches from the ground or is greater than 40 feet in height, or (2) is a tree of historic value due to the tree's (or stand of trees') age or prominence as a local identifying feature.

**REQUIRED TREE.** Every tree planted or preserved on private property which:

1. Was planted and is maintained pursuant to a city-imposed condition of approval for a particular land use entitlement; or
  2. Was shown on a landscape drawing or plan for a project approved by the City.
- 

**A written justification statement must accompany all applications. It needs to identify the reason(s) for the removal of substantial trimming of the tree and how the conditions of one (1) of the criteria below are met.**

1. The Mature or Required Tree constitutes a nuisance or hazard by virtue of its condition, location, species, proximity to existing structures, walkways, or utilities; or
2. The removal of the Mature or Required Tree is deemed necessary by a certified arborist to protect the health of other trees in the vicinity due to disease or infestation affecting the subject tree; or
3. The substantial trimming or removal of the Mature or Required Tree is deemed necessary to accommodate solar access pursuant to the California Solar Shade Control Act of 1979; or
4. The substantial trimming or removal of the Mature or Required Tree is necessary to prevent a substantial inconvenience or financial hardship to the property owner; or
5. A suitable replacement tree in terms of species and ultimate size will be planted within six months after the permitted removal of the subject tree.

The size, location, and species of the replacement tree(s) shall be determined by the Tree Officer with consultation of the applicant and taking into consideration such factors as the size, location, type of tree, and number of trees on the property, and number of trees in the surrounding neighborhood. The Tree Officer may consider the option of relocating the subject tree in another location on the subject property.
