

## Diabetes Type-2 in Males (Ages 35-55)

Join us for a special **FREE Virtual Health Talk for Men**

- **When: Wednesday, June 29, 2022**
- **Time: 5:30 – 6:30 p.m.**

**Paul Magtoto, MD**  
Board Certified  
Family Medicine

Join **Paul Magtoto, MD**, Family Medicine, **Margaret Chi, MD**, Internal Medicine, and **Mark Weng, DO**, Family Medicine, to learn about:

- common causes of Type-2 Diabetes in men, ages 35 to 55
- what are the symptoms to look for
- how it is diagnosed and treated

Silvia Delgado, Registered Dietitian & Educator, will discuss lifestyle and dietary changes that can lead to a healthier you.

**Registration is not available on kp.org. For more information or to register for this event, please call 626-851-7763.**
